

California Data System Meeting Topics

(Revised 1-15-21)

Workgroup

January 30, 2020: Recommendations for Use Cases

February 25, 2020: Data Structure, Legal Framework, Common Identifier, and Operational Tools

March 26, 2020: Recommendations for Phase One Products (This meeting was postponed)

April 29, 2020: Recommendations for Phase One Products and Data

May 28, 2020: Recommendations for the Mission/Vision, Key Components of the Governance Structure, Evaluating Operational Tools, and the Request for Information

June 30, 2020: Mission/Vision, Technical and Legal Framework, Managing Entity, and Governance Committee Structure

July 9, 2020: Managing Entity Structure (homework team) (Meeting 1)

July 16, 2020: Managing Entity Structure (homework team) (Meeting 2)

July 30, 2020: Managing Entity Structure, Operational Tools, and Community Engagement

August 6, 2020: Governance Structure (homework team) (Meeting 1)

August 13, 2020: Governance Structure (homework team) (Meeting 2)

August 31, 2020: Data Request Process, Managing Entity and Governance Structure

September 29, 2020: Research Agenda, Governance Structure, and Master Data Management Recommendation

October 29, 2020: Data Request Process, Publicly Available Data, Managing Entity Responsibilities, and Community Engagement Feedback

December 1, 2020: Legal and Technology and Security Policies

December 16, 2020: Legislative Report

February 25, 2021: Partner Research Data Set and Professional Development

March 25, 2021: Public Tools and Interim Report

April 29, 2021: Data Quality, Budget, and Workplan

May 27, 2021: Data Dictionary and Future Phases

June 30, 2021: Final Report, Communications Strategy

Advisory Groups

Policy & Analytics Advisory Group

January 16, 2020: Scope and Core Attributes of Phase One Products

April 14, 2020: Use Case Examples

August 6, 2020: Workgroup Decisions

September 10, 2020: Governance Structure, Managing Entity, Research Agenda, Data Request Process, and Community Engagement

December 8, 2020: Legislative Report and Community Engagement

March 21, 2021: Public Tools

June 10, 2021: Legislative Report and Community Engagement

Practice & Operations Advisory Group

January 22, 2020: Scope and Core Attributes of Phase One Products

April 21, 2020: Use Case Examples

August 6, 2020: Workgroup Decisions

September 15, 2020: Governance Structure, Managing Entity, Research Agenda, Data Request Process, and Community Engagement

December 10, 2020: Legislative Report and Community Engagement

March 16, 2021: Public Tools

June 8, 2021: Legislative Report and Community Engagement

Subcommittees

Common Identifier Subcommittee

February 11, 2020: Common Identifier Models and Process

March 9, 2020: Statewide Longitudinal Data System Learning Session for Technical Components

March 10, 2020: Common Identifier Structure

May 7, 2020: Request for Information for Master Data Management

September 1, 2020: Master Data Management Recommendation

December 3, 2020: Data System Architecture (This meeting is cancelled)

Community Engagement Subcommittee

January 2021: Overview of Process and Communications

February 2021: User Centered Design for Analytical Tools

March 2021: Professional Development for Analytical Tools

April 2021: Input on Data Quality

May 2021: Professional Development for Operational Tools

June 2021: Legislative Report

Definitions Subcommittee

May 14, 2020: Documentation and Alignment of Definitions (This meeting was postponed)

June 9, 2020: Documentation Framework and Alignment of Definitions and Demographic Data Elements

July 21, 2020: Aligning Data Definitions

August 20, 2020: Student Characteristics

September 22, 2020: Student Characteristics

October 13, 2020: College Preparation, Financial Aid, and College Applications

November 10, 2020: GPA, Tests, College Enrollment and Academic Progress

December 14, 2020: Pathways, Majors, Transfer Readiness

January 26, 2021: Milestones, Completion, Transfer

February 23, 2021: Employment and K-12 Offerings

March 16, 2021: Participation

April 13, 2021: Institutions and Institutional Characteristics

May 11, 2021: Final Document Review

Legal Subcommittee

February 19, 2020: Legal Frameworks, Input on State and Federal Privacy Requirements

March 17, 2020: Legal Frameworks, Input on Federal and State Privacy Requirements (This meeting was postponed)

May 20, 2020: Legal Frameworks, Input on Federal and State Privacy Requirements (FERPA Compliant Agreements, Public Records Act Requests)

June 17, 2020: Legal Frameworks (System Disclaimer, and Public Records Requests)

July 15, 2020: Legal Agreements, System Legislation, and Proposed System Intake Architecture

August 5, 2020: Partner and Managing Entity Legal Agreements (Canceled)

September 24, 2020: Legal Agreements (System Disclaimer and Others)

October 27, 2020: Data Request Process, Payment Policy, and Opt-Out Policy

November 12, 2020: Payment Policy and Opt-Out Policy

February 18, 2021: Technology Tools

March 23, 2021: Permissions Protocol

[Research Agenda Subcommittee](#)

February 13, 2020: Community College Transfer

March 13, 2020: State Intervention Programs and Targeted Resource Allocations

May 12, 2020: College Preparation

June 23, 2020: Financial Aid

July 23, 2020: Employment

August 18, 2020: Data Access and Early Education

[Technology & Security Subcommittee](#)

February 18, 2020: Data Structure Recommendations

March 9, 2020: Statewide Longitudinal Data System Learning Session for Technical Components

March 16, 2020: Tools for Individuals and Practitioners (This meeting was postponed)

May 19, 2020: Security Protocols and Request for Information for Master Data Management

June 16, 2020: Security Protocols and Frameworks

July 14, 2020: Security Framework, Intake Architecture, and Master Data Management

September 1, 2020: Master Data Management Options

October 6, 2020: System Architecture, Service Level Agreements, and Data Classification Schemes

November 19, 2020: Secure Data Enclaves and System Architecture

December 3, 2020: Data System Architecture (Extract, Transform, and Load Requirements)(This meeting is cancelled)

January 19, 2021: Data System Architecture

February 16, 2021: Public Interface Tools

March 9, 2021: Permissions Protocol and Security Authentication Methodology

April 27, 2021: Data Quality Management
