

Cradle-to-Career Data System

System Disclaimer

Note: The way that users will see the system disclaimer in contexts including the dashboard, query builder, and research request process will be determined as part of the user centered design process.

System Disclaimer

System Disclaimer and Terms and Conditions of Use

The data in the System are collected and refreshed from multiple state agencies annually and may contain limitations, which include but are not limited to the following:

- Potential for data mismatch or duplication between agencies.
- Data for out-of-state students or private school students may be missing or not as complete as in-state records or records from public schools.
- Employment data may exclude the self-employed, employees of religious or federal institutions, or others.
- Data may not be error-free, complete, validated, up-to-date, or confirmed
- Data may not be available indefinitely and similar data may not be available for future periods.

As a result, the State of California cannot guarantee the data will meet your needs and is provided “AS-IS”. Additional disclaimers and terms can be found in the Terms and Conditions of Use. By clicking OK and accessing and/or using this System, you agree to both the System Disclaimer and the [Terms and Conditions of Use](#).

OK

Terms and Conditions of Use

The Cradle-to-Career System (System) promotes transparency in California government activities and gives people user-friendly access to vast amounts of publicly available information. We invite you to connect with government by freely using the information tools we provide. We require only that you abide by these terms and conditions of use (Terms), to protect against abuses of the system.

We welcome your recommendations for correcting or improving the System and its content but offer no guarantee your feedback will result in changes to the System. You may share your recommendations by contacting us at [email TBD], or by calling [phone number TBD].

STRUCTURE OF THE SYSTEM

The Cradle-to-Career Office manages the System. State agencies provide data to the System. Those entities and their respective affiliates, directors, officials, officers, and employees are collectively referred to herein as "Agencies." Other non-state individuals or entities working for or with the Agencies, such as consultants or contractors, or data contributors, or non-profit stakeholders and their respective affiliates, directors, officials, officers, employees, and subcontractors are collectively referred to herein as "Partners."

Use of the System is free of charge. Before accessing or using the System, please carefully read these Terms, as access and/or use of the System requires your agreement to these Terms.

ACCEPTANCE OF TERMS

By accessing, viewing, downloading and/or using the System, you accept and agree to follow and be bound by these Terms. These Terms affect your legal rights and obligations. If you do not agree to follow and be bound by these Terms, **do not** access or use the System.

You represent and warrant that you have full capacity and authority to accept these Terms and that your activities are lawful in every jurisdiction where you access or use the System. If you are accepting on behalf of your employer or another entity, you represent that you have full authority to bind your employer or other such entity to these Terms. You acknowledge and agree to abide by any other conditions that may apply generally to the System, including the System Privacy Policy and to other terms and conditions that may apply to specific content or information in the System, such as terms that are embedded or otherwise stated in downloadable files or on the page from which the content or information is accessed. The System Privacy Policy may be accessed by clicking this hyperlink: <https://opengov.com/privacy-policy>.

UPDATES TO THE TERMS AND CONDITIONS OF USE

These Terms may be updated and changed at any time by modifying them on the website. Such modifications to the Terms become effective upon posting to this website, unless otherwise indicated. Please check the Terms each time you access the System. Your continued access or use of the System after the modifications have become effective shall be deemed your conclusive acceptance of the modified Terms.

DISCLAIMER OF LIABILITY

The System Agencies and Partners shall not be held liable for any improper or incorrect use of the information described and/or contained in the System, and they assume no responsibility for anyone's use of the information.

In no event shall the System Agencies or Partners be liable for any direct, indirect, incidental, special, exemplary, or consequential damages (including, but not limited to, procurement or substitute goods or services; loss of use, data, or profits; or business interruption) however caused and on any theory of liability, whether in contract, strict liability, or tort (including negligence or otherwise) arising in any way out of the use of the System, even if advised of the possibility of such damage.

The System Agencies and Partners are not liable for any injury or damages caused by the actions of third parties or events that are unanticipated or beyond the control of the System Agencies and Partners, including, but not limited to, security breaches, unlawful posting or disclosure of the System content, failure of electronic or mechanical equipment, failure of communication lines and interconnectivity, computer viruses, unauthorized access, theft, or hacking. This disclaimer of liability also applies to any damages or injury, including but not limited to those caused by any failure of performance, error, omission, interruption, deletion, defect, delay in operation or transmission, computer virus, communication line failure, theft or destruction or unauthorized access to, alteration of, or use of record, whether for breach of contract, tortious behavior, negligence or under any other cause of action.

DISCLAIMER OF WARRANTIES AND ACCURACY OF DATA

Data provided to the System is on an "as is" basis. All warranties of any kind, express or implied, including but not limited to the implied warranties of merchantability, fitness for a particular purpose, freedom from contamination by computer viruses and non-infringement of proprietary rights are disclaimed.

Changes may be periodically added to the system, other than on an annual basis; these changes may or may not be incorporated in any new version of this publication. Data can be considered out-of-date, depending upon the intended use of the data. If you find any errors or omissions regarding System data, we encourage you to report those to the system webmaster at: email address].

DISCLAIMER OF THIRD-PARTY SITES, SERVICES, AND FEATURES

The System may contain features or links to third-party sites or service providers that are not owned or controlled by the System Agencies or Partners. The System Agencies and Partners are in no way responsible or liable for any features, third-party sites, or services. Such features or links do not imply approval of the listed destinations, imply any warranty of any information in those destinations, or constitute endorsement of the entities to whose sites the links are made or of any opinions that may be expressed on those sites.

Third-party sites, services, or features may be governed by privacy policies or other terms and conditions of the third parties providing them. Some may require the creation of and logging into an account. By using third-party sites, services, or features, you do so at your own risk and expressly relieve the System Agencies and Partners from any and all liability that may arise from accessing and/or using those third-party sites, services, or features.

If you have any questions or comments about other sites, services, or features contained in the System, please contact the third-party provider of that site, service, or feature directly.

LAWFUL PURPOSES

As a condition of your use of System, you warrant that you will not use this System or its content for purposes that are unlawful or prohibited by these Terms. You agree to comply with all applicable federal, state, and local laws, rules and regulations, including, but not limited to, laws and rules related to intellectual property, privacy, confidentiality, hate crimes, fraud, duress, or misrepresentation. You also understand and agree that you will not use System content to commit or attempt to commit any criminal or civil offense or encourage others to do so.

You may not use the System or its content to commit a criminal or civil offense or encourage others to do so. We reserve all rights to remedy any violation, including collection of monetary damages and attorneys' fees from you for any breach.

SECURITY MONITORING OF THIS SYSTEM

This System and its content are provided as a public service by the State of California. This System is monitored for proper operation, the functioning of applicable security features, and for comparable purposes. Anyone using this system expressly consents to such monitoring and has no expectation of privacy.

UNAUTHORIZED USE PROHIBITED

Unauthorized attempts to use or use the System for other than its intended purposes are prohibited and may result in criminal and/or civil prosecution or other remedies.

You agree not to attempt to circumvent any the System security features or to damage, disable, modify, hack, crack, reverse-engineer, or otherwise interfere with or misuse the System in any manner. In the event of unauthorized use, the System Agencies and Partners reserve the right to partially or fully deny any or all of your access or service with or without notice. The System Agencies and Partners also reserve all rights and remedies available at law or in equity.

We have taken reasonable measures to safeguard the integrity of the website and you agree that we are not liable to you for any injury caused by security breaches or other acts compromising the website. You agree that we are not responsible for any losses resulting from events unanticipated by us or beyond our control, including acts of God, acts of war, acts of public enemies, strikes, fires, explosions, actions of the elements, floods, or other similar causes, failure of electronic or mechanical equipment, failure of communication lines and interconnectivity, computer viruses, unauthorized access or theft.

PRIVACY OF SYSTEM CONTENT

Any information provided by the user to the System will be protected from disclosure in accordance with law, including the Information Practices Act of 1977 (Civil Code section 1798 et seq.).

INTELLECTUAL PROPERTY

We grant you a non-exclusive, non-transferable, non-sublicensable revocable license to use and distribute System content in a manner consistent with these Terms. Access to the System does not give you any ownership to content or transfer to you any intellectual property rights in the System or System content.

Your reuse, publication, and/or distribution of the content on the System requires attribution of credit to the System and a citation to the webpage and date of publication of the material cited. Preferred citation language will be provided in the metadata of each data table. Any analyses, interpretations, or conclusions reached by your use or analysis of the content shall be credited to the author and must expressly disclaim any endorsement or approval by us. If you modify the content in any way, you may not claim the data is "official government data" and must clearly indicate that the data and/or data table has been modified.

Within the System content, there may be graphical images, photographs, videos, logos, service marks, trademarks, software, or other materials protected by copyright, trademark, trade dress, patent, trade secret and other similar laws and regulations. You agree not to remove, alter, or conceal any copyright, trademark, or other proprietary rights notice that is incorporated in or accompanying any the System content. Use of these protected materials are not licensed to you without the prior written permission of the System or the owner of such graphical images, logos, photographs, videos, logos, service marks, trademarks, software, or other materials. It is your responsibility to procure this permission. You agree to obtain permission prior to publishing or distributing these

protected materials.

If you believe materials of yours have been posted on the System in a manner which violates your intellectual property rights or other legal interests, you are required to contact [email TBD] or call [phone number TBD] with your concerns.

The State shall have the unlimited right to use for any purpose, free of any charge, all information collected on this site, except as prohibited by the applicable privacy policies. The State shall be free to use, for any purpose, any ideas, concepts, or techniques contained in information provided through this site.

CONTENT QUALITY

Any errors or omissions in System content should be reported for investigation to [email TBD], or by calling [phone number TBD].

Agencies and Partners supplying System content are responsible for determining that the content meets the respective Agency or Partner information quality standards and are also responsible for version control of their System content and compliance with record retention laws and policies.

RIGHT TO DISCONTINUE OR MODIFY CONTENT OR ACCESS

We reserve the right to modify, discontinue or remove any System content or terminate your access to the System for any reason, without notice, at any time, and without liability to you. Upon termination of the website and/or System, all licenses and other rights granted to you in these Terms of Use will immediately cease. We reserve the right to refuse access to the System to anyone for any reason at any time.

INDEMNIFICATION

To the full extent permitted by law, you agree to defend, indemnify, and hold harmless the state, system agencies and partners, any entity jointly created by them, their respective affiliates and any of their respective directors, officers, employees, and agents from and against any and all claims, liabilities, damages, losses or expenses, including reasonable attorneys' fees and costs, arising out of or in any way connected with your access to or use of the system, in reference to any claim however caused and on any theory of legal liability, whether in contract, strict liability, or tort, including negligence.

APPLICABLE LAW AND VENUE

These Terms shall be governed by and interpreted under the laws of the State of California without regard to conflict of law provisions. Any disputes that may arise from these Terms shall be subject to the exclusive venue of, and the exclusive jurisdiction of, state and federal courts located in Sacramento County, California.

If one or more of the provisions of these Terms are for any reason declared unenforceable by a court of competent jurisdiction under the laws or regulations in force, those provision(s) will not have any effect on the validity of the remainder of these Terms, which shall then be construed as if any unenforceable provision was never contained herein.
